

Happy New Year from MainStreet Chamber, your only local Chamber with a concentration of services geared toward small and home based businesses.

We are presenting the first annual “**Down On Main Street**” small business expo. It’s an affordable alternative for small businesses in the Valley to **showcase** and **sell** their products and services at an affordable price, while creating an opportunity for Valley citizens to buy local. MainStreet Chamber has already secured media sponsorship, so this event will be highly publicized in the Mahoning Valley. Admission is free to the public and our market research indicates that approximately 5,000 individuals will attend this exciting event.

We have vendor spaces available and would like to invite you to join us for this valuable business opportunity.
